# TBC TOILET CLEANER

## DAILY TOILET & URINAL CLEANER

- CONCENTRATED SOLUBLE SACHET TECHNOLOGY
- PRE-MEASURED DOSAGE NO DISPENSER REQUIRED
- DESIGNED FOR COMMERCIAL & INSTITUTIONAL USE

### WHERE IS IT USED?

TBC TOILET CLEANER is an acidic-based cleaner/descaler with a highly scented, long lasting fragrance. Designed as a commercial product for the daily cleaning of toilets and urinals. It's viscous formula clings to vertical surfaces allowing longer contact time for more effective results. Suitable on stainless steel, porcelain, chrome & ceramic.

### HOW IS IT USED?

Wind unopened sachet into TBC squeeze bottle. Fill with warm water. With top on, lightly shake the solution until sachet has dissolved. Stand for 10-15 minutes until thickened. Apply to toilet bowl rim or urinal, agitate solution and rinse. Product can be pre-mixed and stored until required.

### DILUTION RATINGS

1x TBC TOILET CLEANER sachet makes up to 1L of ready to use cleaning solution.

**ATTENTION.** KEEP CONTAINER CLOSED WHEN NOT IN USE. HUMIDITY AND WATER WILL DAMAGE THE SACHETS.

## FEATURES & BENEFITS

- Sachets offer consistency in usage leading to customer satisfaction
- Reduces shipping costs
- Saves precious storage space
- Easy to use
- Performs in both hard and soft water environments
- Excellent environmental and safety profile
